

150 Club Board Meeting Minutes 2019-2020

Palm Center, Phoenix Room

January 20, 2020

Called to order at 10:00

Attendees: Denny S., Mary J., Arlin M., Christine G., Cheryl B., Brenda H., Jeff H., Judy C.

Membership Report:

We currently have 124 members on the books. Of the 124 members, 6 on green form, 5 from the Library, 4 from Grand Life Styles, and 2 from SCG. The question was raised about members who are on the roster who either haven't paid or are no longer members. Those members who have not paid by January 30 will be removed from the Membership directory. **ACTION:** The February Newsletter will carry a reminder for members to wear their name tags. This helps other members recognize each other, learn names, and helps at the check-in table.

Treasurer's Report

We are solvent as of end of December. A report needs to be submitted to CAM for the fiscal year 2019. Jeff and Denny will work on this after the meeting and submit it.

Web Master Report:

Arlin has been working on the Web site to update the information, connect various links, and make the site more user-friendly and more up-to-date. Brenda has been a great help. After much discussion, the Board decided to ask members to wrap up their practice by 12:15. **This means that no practice golf balls will be given out after 12.** Denny will talk with Tim to get a "heads-up" on where the tip of the day will occur so members can get prepared. **Members are being asked to check in between 11:30 and 12 on the day of play.**

There was much discussion on the number of times a guest can play before they need to join and/or will be asked to not play. Jeff will research to see what is required by CAM. **According to Charter Club procedure, which the 150 Golf Club is, a prospective member may visit a club up to 3 times during a calendar year before being asked to join.**

Pairings

Christine asked members to give names of guests so they can be entered on the score cards and on the alpha list and pairings list. If the guest is a resident, having their CAM number would be helpful. While we don't have a lot of no-shows, **we will be enforcing the no-show policy.** Denny will help keep track of no-shows and Mary Jacobs will work on letting people know they owe \$5.

Tournaments:

February 23 is our next tournament. Information should be forth-coming in the January Newsletter.

Social

Cheryl reported that the January Fun Day was successful. People were talking about it several days afterward. Prizes were given to a number of members. We still have some prize cards available through the Golf Pro Shops. Denney will check with Jeff to verify the amount. Cheryl is working on the February 23 social event. This will be a “sandwich” day. Check the newsletter and Web site for additional information as it comes available.

Good of the order:

- Brenda will work on the Newsletters. **Please have any information you would like included to Brenda by Friday, January 24, so she can publish the Newsletter on or before January 30.** Brenda, Craig and Judy will work on the newsletter.
- Job descriptions for the various offices will be updated on the Web site. Board members were asked to check the current descriptions and update where needed. Arlin will repost.
- Christine suggested that several of the current board positions need to have backups in case the elected person needs to be out of town. The primary positions were Pairings and Membership.
- Mary will ask for someone to help with the Newcomers Table on February 25 from 10 a.m. to Noon. Cheryl and Richard volunteered to “man” the table that day.

Meeting adjourned at 11:15

Respectfully submitted

Judy Cameron, Secretary
