The meeting was called to order at 9:00 am

Denny spoke to Brandon to discuss tee times and shotgun starts. No major changes. We will use both the front and back nine of the scheduled course. Denny will revisit the issues after the golf survey that Chris prepared and emailed to members is ready. Our thanks to Chris for the preparation and compilation of the survey.

Denny stated that pace of play needs to be addressed. If you wish to visit, come earlier or stay and socialize following your rounds. The members will be reminded of the 5-stroke rule and not to stand visiting on the course.

Treasurer's Report

Terri provided handouts. The report was approved and accepted

Sunshine: No report

Pairings: Chris presented the membership survey. She received 41 responses. As the report is comprehensive, Chris has copies of the survey for those not in attendance. The two key choices of types of play: (1) Play every Sunday, shotguns twice a month 52.6% and (2) Play every Sunday with all shotgun starts:63.0%. Chris asked for clarification on the wording of pace of play and using drop zones if unable to hit over the water. The wording will be clarified and will be on the web site. She is working on sending out an email blast. Chris will post a reminder on the web of the social and scramble on November 20, 2022.

Some people have been having difficulty signing up to golf. The passwords are unchanged. Chris assisted them with signups. She is requesting that we tell members to email Chris, not the Pro shop, if they are not coming or need to be added in.

Publicity: Craig placed a half page add in our Lifestyles Magazine for this month. He will have an information table at the open house for new residents on Monday,

November 14, 2022. It runs from 8:30am-11:30am. Set up is at 7:30am. Pat has the supplies and Craig will get them from her. Denny, John, Patti, Chris, Craig and Bonnie offered to be at the table.

Tournaments: John said he had planned a Scramble for our Shotgun start on Sunday November 20. People can sign up with which ever partners they want and John we will tally the scores for prizes.

Social: Patti will need assistance with the social. She wasn't sure how much to purchase. Pat will be back, so it was suggested she ask her and see if the notebook for Social Committee has guidelines. The social will follow our play, and people will be asked to provide their own beverages. Chris will post a notice on the web; Bonnie will make a flyer and she and Nancy will be at the sign up table on Sunday the 13th to register people for the social event and hand out scorecards.

Membership: We have 173 members, that includes 8 new people and to date we have 12 renewals for the season.

There being no further business, the meeting was adjourned.

Respectively submitted
