

APRIL / MAY 2023 NEWSLETTER

Our Hot Dog social on April 16 was great fun! Everyone enjoyed the hot dogs, chips, cookies and beverages. Those members who signed up, but didn't attend, missed a terrific event.

Summer hours for the 150 Golf Club will **begin in June**. Members should call the Cimarron Pro Shop anytime on the Monday before Sunday play to schedule a tee time, which will be between 6-7 am, on the back nine. There are no shotgun starts for the club during the summer, and no pairings or website signups from June to mid-October.

A reminder for our upcoming shotgun on May 14, with a start time of 12:30 pm on the front nine:

Please check in at the desk and in the Pro Shop at least 30 minutes prior to the start time.

On shotgun days, the check-in table will close promptly 30 minutes prior to the start, which allows those volunteers time to finish their duties and warm up before teeing off. Our President, Ann Dunker, will hold a meeting 15 minutes before players are released to their respective holes to announce any hole assignment changes or other adjustments to the day's play.

And, as always:

To maintain pace of play, please pick up your ball after 5 strokes and record 6 on the scorecard.

The Board thanks you for your cooperation.

And speaking of Boards, a huge THANK YOU to the outgoing Board who served the club with energy and enthusiasm for many years: Denny Spencer, Mary Jacobs, Judy Cameron and Terri Clark, as well as the many committee members.

Please note that **Judy Cameron** is our new **Pairings Director**. Any questions regarding Pairings should be directed to her: jcameronretired2008@cox.net or (509) 869-3870.
