

150 Golf Club January Newsletter

January 15 Pizza Party – No charge to any members who want to come. We are asking that you contact Patti Barnhart at 714-642-5057 through phone message or text if you are planning to join us. **Options are Cheese, Veggie, Meat Lovers**. It is a shotgun start. Come join the fun.

There will be a “**tournament**” that day – **3 clubs and your putter!** Prizes will be awarded at the Pizza Party.

CHECK IN – Again please, please show up at least $\frac{1}{2}$ hour prior to your **tee time**. If it's a **shotgun start**, you need to **check in before Noon**. The members at the check-in table need time to warm up and to get ready to play. If you wait until 12:15 to check in on shotgun days, you may miss going out as we sometimes get to go early.

SIGN UP – Be sure to sign up to play by MONDAY NOON. This is a change from previous years. The Pro Shop needs the numbers on Monday so they can release holes that we aren't using, if any, to other residents. Sign up before picking your partner(s)!

PACE OF PLAY – If you generally do not reach the green, based on the location of the blue tees, go ahead and make your first hit. Some of us only hit maybe 75-100 yards. If you can make the green from the location of the blue tees, please wait until the group in front of you is in their golf carts.

BOARD POSITIONS – Look at your schedule and your skills and consider running for a position on the Board. This ranges from president to director of the various committees. All these positions help keep the Club energized and working smoothly. We are especially in need of someone to take care of our Web site.
