

May 2021 NEWSLETTER

IMPORTANT: Beginning the first Sunday in June, tee times for the Club will be from 6 a.m. until 7 a.m. *Call the appropriate Pro Shop to reserve your tee time. Call before Noon on Wednesday!* No pairings will be done from June through September. So you pick your own group. October is usually overseed and no tee times are reserved for any of the golf clubs.

Scoring during Summer Play: Since the 150 blue tees will not be set up, each group can decide from which tee box they want to hit – Red, Orange, or you can start at the 150 pole and play from there. **Record your score when you get to the next tee box.** If you are far enough apart, you may both hit your next shot at the same time :>)

Name Tags: There are still name tags on the magnetic board in the drawer behind the Cimarron Pro Shop. Please stop and get your name tag.

Playing water holes: If you think you cannot hit your ball over the water on whatever hole or course you are on, just go across the water, drop your ball from your knee, and hit your *second* shot! No need to put a ball in the water :>)

HAVE A GREAT SUMMER. See you in the fall. Kickoff luncheon will be November 14, 2021.
