

## October 2021 NEWSLETTER

**Welcome Back** to those who have been gone this summer. And hello again to those who have not played because it was too warm.

Currently the courses are being overseeded. Courses should start opening third week of October with **cart path only**.

**New wrinkle** with playing this season: Golf management asked all golf clubs to play 50% shotgun and 50% tee times. We will be alternating weeks with shotgun playing on scheduled event days so we all finish at the same time. **Check the Web site regularly** to be sure you know which weeks are tee times (check in with the Pro Shop) and which are shotgun (check in at the table in front of the Pro Shop). We will need volunteers for the table. Sign up tab is on the Web site.

Since this season we are partially back to having shotgun starts, we are able to add back in tournaments and membership meetings. Because of the extra expenses of these events, we are setting our **dues for 2022 Season at \$30 per person**. New registration forms are in the drawer by Cimarron Pro Shop, by the Library, and are on line.

**First day of play** for 150 Golf will be on **November 7**. Sign up using the Web site. **SIGN UP TO PLAY** first then pick your partner(s). You **MUST** sign up for play by **noon on Wednesday** before the Sunday play.

**Kickoff Snack Day** is scheduled for November 14. Here's your chance to say hello, get reacquainted, and meet some of our new members. There will be

announcements as we munch on the goodies. Pat Dirschberger is our Social Chair. Please let her know [gdirsch@cox.net](mailto:gdirsch@cox.net) right away that you are willing to help.

**Sharing of carts** is recommended. If there are more than 2 carts per hole, only 2 carts should be on the fairway at a time. The other carts need to stay on the cart path.

**Name Tags:** There are still name tags on the magnetic board in the drawer behind the Cimarron Pro Shop. Please stop and get your name tag.

**Playing water holes:** If you think you cannot hit your ball over the water on whatever hole or course you are on, just go across the water, drop your ball from your knee, and hit your *second* shot! No need to put a ball in the water :>)

***Happy Golfing!*** Looking forward to a good year and getting reacquainted with everyone.
