

Rules specific to the 150 Golf Club

General golf rules apply in all instances. These rules are unique to the 150 Golf Club:

1. If you are going to be “teeing” off or hitting over water and don’t think you can make it, add a stroke and drop the ball – from the knee – on the other side. That way you won’t lose your ball. Be sure you are near the edge of the water but have a firm stance space.
2. Gimmies are allowed for putting if the ball is within 1 foot of the hole. This **does** count as a stroke.
3. If you are in the desert, you may bring your golf ball to the grass – no closer to the hole – and take a penalty stroke. If you are in river rock or rock large than a quarter, free drop onto the desert with no penalty or in the grass with a 1 stroke penalty. Again, no closer to the hole.
4. Score are no more than 6 strokes per hole (pick up the golf ball after 5 strokes). If you putt out, you need to count all your strokes (as long as they are under 6),
5. Whiffs **do** count as a stroke :->
6. Should you choose to throw your ball out of the sand rather than trying to hit it, there is a 2-stroke penalty. If you hit it and it stays in the sand and then you throw it out, that would be 3 strokes.
