

SUMMER NEWSLETTER

August 2022

- We're into August and September. Remember to call Cimarron pro shop for tee times beginning at 6:30. Be sure to use these times. We'll want to be on the schedule for next summer.
- October is over-seed month. As such, there will not be any times reserved for any of the clubs. If you want to play golf during October, you are on your own. The Sign up will be opened some time later in October. So check the 150 Golf Club web site after the 15th of October.
- Monsoon season has been wet this year. Fortunately, most of the rain has been in the late evenings or during the night. Does make for some wet golfing in the early mornings. And the humidity this summer has been right up with that generally associated with the mid-west! We're still playing and taking lots of showers :>)
- **IMPORTANT: Sign up for Fall, beginning in late October** – currently members can sign up to play on Sunday from Wednesday afternoon through Wednesday morning. Since the pro shop needs numbers by Monday, signup will be from Sunday to Sunday, with sign up closing at 6 p.m. on Sunday the week before we're scheduled to play. Pairings will be posted later in the week. This is to allow members to cancel if needed or to sign up if they forgot. However, we do need to give the pro shop as accurate a count as we can.
- **No-show fees (\$5 for first cancellation)** will be imposed beginning in November. To be respectful to other members and to the pro shop, calling the pairings director on shotgun start days and the Pro Shop on tee time days helps everyone!
- **Tentative Social Dates for Next Season:**
 - **November 20** – Snack Day; “opening/welcoming” time. This may change to November 13, depending upon the overseeding scheduled. No charge to members.

- **January 15** – Pizza; charge members \$5
- **February 12** – Subway Sandwiches; charge members \$5
- **March 12** – Annual Meeting/Election of Officers; catered; charge members \$10
- **April 16** – Hot Dot Day; charge members \$5
