

JANUARY 2021 NEWSLETTER

In order to play golf in the 150 Golf Club, you must have completed the COVID - 19 waiver form. The pro shop will verify at check in.

IMPORTANT: Again, please remember that all members sign up to **play before the Wednesday noon deadline**. The pairings with tee times have to be turned into the Pro Shop by Wednesday afternoon. Should you have problems getting signed up, please call Chris Gaare at 503-980-8757. She can walk you through the process and instructions are on the Web site. If you forget to sign up before Wednesday noon, **call the appropriate Pro Shop** to see if there are times left for 150 Golf Club members. If you need to cancel, *call the Pro Shop!*

New Members: If you haven't picked up your name tag, they are on a magnetic board in the left drawer between the Cimarron Pro Shop and the outside patio. Help yourself to your name tag .

March is election month. The positions in the 150 Golf Club are President, Vice President, Secretary, Treasurer; Committee Directors are Membership, Pairings, Publicity, Social and Web Master. **The 150 Golf Club depends upon volunteers.** Let the Board know if you would like to help by taking on one of these positions. Descriptions for each position are on the Web site under **General Information – Club Officers**. We need back-up people for Membership, Pairings, and Web Master.

Since we are doing tee times, **you take a maximum of 6 strokes per hole.** This means after hitting the ball 5 times, pick up your golf ball and record a 6 for that hole. This will help increase the speed of play and keep the game moving.

If you are a current member and cannot locate your name tag, a **replacement** one can be ordered for **\$6**. Please contact Terri Clark, Betty Lock, or Judy Cameron. We will order you a replacement tag. These tags help people get to know other members of the Club.

Stay safe and happy golfing! See you on the course
